

WEATHERS – RIDER

Team :

- Clément Steffen – Manager and Guitarist (+32 494 25 51 29) – clement.jules.steffen@gmail.com
- Elodie Marchesani – Singer (+32 497 19 79 10) - elodie-marchesani@hotmail.com
- Nicolas Ancion – Bassist (+32 479 05 94 61) – na.ncion@gmail.com
- Sébastien Six – Drummer (+32 494 35 93 73) – sebastiensix@hotmail.com
- Noé Chalon – MAO (+32 471 02 88 60) – chalonnoe@gmail.com

- Lucas Serruya – Sound Engineer (+32 473 46 00 02) – serruyalucas@hotmail.com
- Denis Natalis – Lightning Operator (+32 497 19 40 01) – denis.natalis@gmail.com

WE DEMAND :

- 5 vegetarian meals and 2 normal meals.
- A bottle of red wine and some beers
- Small bottles of water on stage
- A merchandising place where we could sell our CD's during the show and at least 30 minutes after the show.
- A backstage for the team where we could rest before and after the show
- A safe place where we could put our backline
- A parking place near the venue to park our van and 2 cars. Help to bring the backline from the car to the venue is highly appreciated
- Accommodations if the drive back home is longer than 1h15.

CHECK OUR TECHNICAL RIDERS BELOW, IF THE VENUE IS NOT ABLE TO SATISFY OUR REQUESTS, PLEASE, DON'T WAIT TO LET US KNOW, WE WILL FIND A SOLUTION !!!

WEATHERS - Lights Rider

Our lighting operator (Denis Natalis) is coming with 5 mirrors, their supports and his Avolite. If the change over is too short if Denis wants to, the light desk from the venue can be used.

WE DEMAND :

- DMX UNIVERS with 5 PINS
- A Hazer
- A technical rider of the venue and the patch (as soon as possible on denis.natalis@gmail.com)

On the floor :

- 5 Pars 64 CP60 connected on 5 different lines
Used to light 5 mirrors
- 4 LED PARS with different addresses
- 2 ATOMICS 3000
- 4 PARS 64 CP62 elevated and on the sides to light the musicians

On the grill :

- 6 Spots (better with trichotomy, zoom and iris)
- 2 couples of ACL

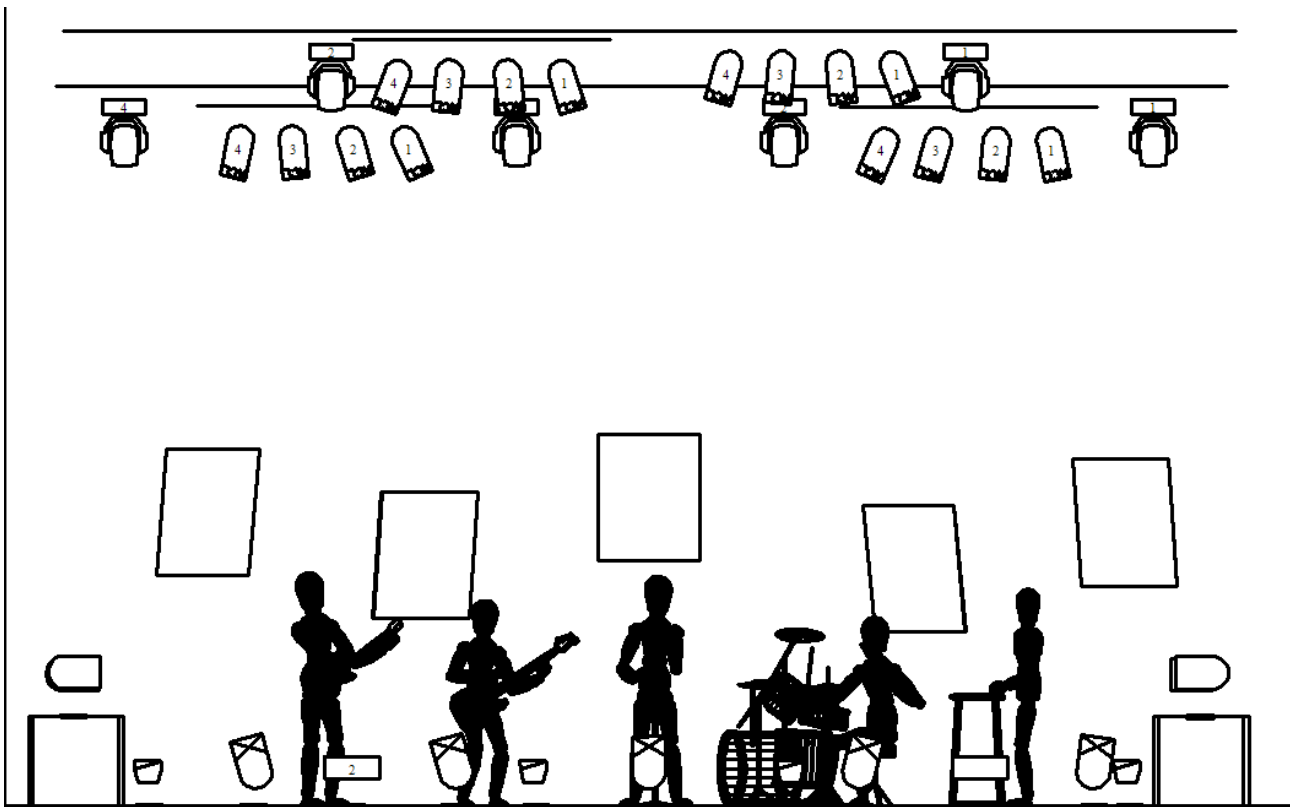

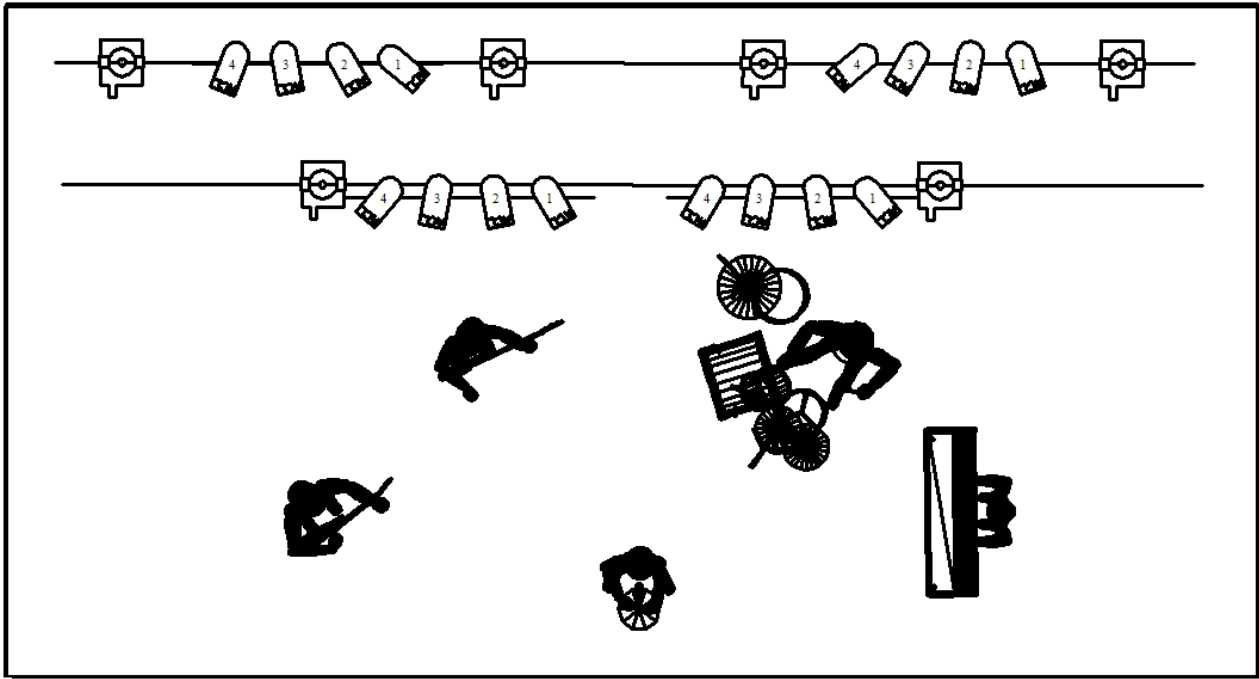

There is no problems, only solutions. In order for the concert to take place at best, please contact me if there are some technical issues
